INNOVATION

CONSTRUCTION DEVELOPMENT LLC

Capability Statement

Robert Fuentes | 405-595-1190
r.fuentes@inncd.com

Innovation Construction Development LLC (ICD) provides commercial and industrial roofing, maintenance, repairs, and construction support. Our experienced crews serve government, military, institutional, retail, and private-sector projects nationwide.

Core Competencies

• **Roof maintenance and repair:** Leak investigation, inspections, preventive maintenance, flashing, curbs, drains, and penetrations.

• **Single-ply roofing:** TPO, EPDM, and PVC systems.

• **Roof restoration:** Coatings, waterproofing, and metal roof retrofit systems.

• **Reroofing:** Tear-off, deck inspection and replacement, blocking, insulation, tapered systems, and cover boards.

• **Other systems:** Modified bitumen, 2-ply torch, standing seam, double-lock metal, trapezoidal panels, R-panel, tile, slate, and shingles.

Past Performance

Roofing experience across the following sectors:

• **Military and government facilities** - tile and metal roofing scopes, installation, and replacement.

• **Industrial facilities** - industrial roofing and construction, metal panels, and low-slope systems.

• **Commercial and retail properties** - roof repairs, coatings, retrofit, and replacement scopes.

• **Schools and institutional buildings** - shingle, low-slope, insulation, and reroofing scopes.

• **Private-sector and multifamily properties** - roofing installation, repairs, and maintenance.

Relevant Industry Codes

NAICS 238160 - Roofing Contractors
PSC Z2JZ - Repair or Alteration of Miscellaneous Buildings

Differentiators

• **21+ years of leadership experience** in roofing and construction.

• **Nationwide crew support** with rapid mobilization, field supervision, and logistics coordination.

• **Multiple roofing systems** to support repair, restoration, and replacement needs.

• **Safety-focused operations** with EM 385-1-1 trained personnel, competent-person oversight, daily toolbox talks, PPE, and fall protection.

• **TWIC card holder** - Robert Fuentes holds a Transportation Worker Identification Credential.
